 All applicants are required to submit a completed application form together with their supporting documents.
- application fee**
 For domestic applicants, a \$60 [USD] fee must accompany the application form; for international applicants, a \$75 [USD] fee must accompany the application form. Payment of this fee may be made with a check or money order payable to Woodbury University.
- academic transcripts**
 Official transcripts from all schools attended are required, regardless of credit received or courses completed. International students must submit certified and/or official copies of their academic records with English translations. These items must be submitted sealed [unopened] to the office of admissions or mailed directly from the school.
- interview**
 For Burbank applicants, an interview, by person or by phone, is required. Once all application material is submitted, contact the school to make arrangements. For San Diego applicants, an interview is recommended, but not required.
- letters of recommendation**
 Three letters of recommendation, attesting to the applicant's academic achievements or professional experience, written by academic or professional personnel, counselors, supervisors, or teachers, are required for all graduate applicants. The letters should be submitted on the sender's letterhead and signed into a sealed [unopened] envelope.

 All graduate applicants are required to submit a portfolio of creative work conveying the scope of their design sensibilities. The work can be both educational and professional. Portfolios should be no larger than 9x12 inches and no smaller than 5x7 inches. Although bound and printed submissions are preferred, CD's or DVD's will be accepted. We will not accept work submitted on slides. If you would like your portfolio returned, include a self-addressed envelope with sufficient postage affixed. Unclaimed portfolios will be discarded. Refer to architecture.woodbury.edu for portfolio details.
