- New Approaches to Social Change
- Confidence Building
- Critical Thinking
- Prepared Citizens

**CIVIC ENGAGEMENT**
Achieving fulfillment through exposure and experience with the community and the process of giving back.

- Empowerment
- Opportunities
- Sense of Belonging
- Sense of Purpose

**ENTREPRENEURSHIP**
Gaining business knowledge that creates opportunities for actionable growth and success.

- Blueprint for Success
- Empowered Confidence
- Strong Connections
- Self-Fulfillment
Mission Statement

VISION
By 2025, our distinctive ability to integrate transdisciplinarity, design thinking, entrepreneurship, and civic engagement in education and scholarship will have secured us a place among the top 100 regional universities in the United States.

CORE PURPOSE
Woodbury University empowers people to do extraordinary things. We transform students into liberally educated professionals and socially responsible citizens by integrating transdisciplinarity, design thinking, entrepreneurship, and civic engagement into all programs. We achieve academic excellence by creating external partnerships, implementing effective internal processes, and ensuring quality in all programs and services.

OUR CONTRIBUTION TO SOCIETY
Successful Woodbury graduates are ambassadors for the university. They are innovative leaders who help individuals and communities flourish. They are known for being strong communicators, ethical thinkers and creative problem-solvers with a deep commitment to sustainability and social justice. They are knowledgeable in their disciplines and eager for collaboration and continuous learning. They integrate professional skills with global citizenship, entrepreneurial energy, and intellectual curiosity. Woodbury graduates make a difference.

CORE VALUES
Community — Working together, embracing diversity, recognizing our mutual dependence and accountability, engaging our stakeholders, and building solidarity with the larger community.

Integrity — Demonstrating truthfulness, openness, and transparency, achieving goals through honest means, honoring commitments, and being worthy of the trust of others.

Professionalism — Observing ethical and technical standards, continually improving competence, and demonstrating commitment to the public interest.

Aspiration — Pursuing ever-higher levels of competitiveness, distinction, and excellence.

Agility — Cultivating capacity for rapid change and flexibility in all endeavors.
