# YOUTH CAMP

2016

WOODBURY UNIVERSITY & BURBANK YMCA PRESENT

**Art of Architecture** is for any student with an interest in the arts and who enjoys making things.

Under the guidance of trained architects, students will be working in the computer lab, experimenting with 3-d printing and laser cutting, and learning about architecture through traditional and digital hand drawing and model making exercises. Projects from previous summers include building a group city model and a theme park model, designing building components using the laser cutter, constructing a bridge and testing its strength, and drawing a house using digital software.

**JUNE 27 - JULY 15**  
**MONDAY - FRIDAY**  
**9AM - 3PM\***  
**\$245 PER WEEK**

*\*Extended care is available*

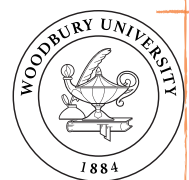

**A 3-WEEK SUMMER PROGRAM FOR STUDENTS WHO HAVE COMPLETED 4<sup>TH</sup>-8<sup>TH</sup> GRADES**

Classes are held on **the Woodbury University campus in Burbank** with extended care provided by the trained staff of **the Burbank YMCA**.
