Offsite Architecture

Ryan E. Smith is an Associate Professor and Associate Dean for Research at the University of Utah College of Architecture + Planning in Salt Lake City. Smith's research and writing is concerning the question of architectural production and modular design and construction in particular. He is author/co-author of *Prefab Architecture* (Wiley 2010), *Building Systems* (Routledge 2012), *Leadership in Collaborative Architectural Practice* (Wiley, 2017), and *Offsite Architecture* (Routledge, 2017).

Smith is a Senior Research Fellow of the Centre for Offsite Construction at Edinburgh Napier University in Scotland, founder of the National Institute of Building Science Off-site Construction Council, and Senior Editor of the *PocketArchitecture: Technical Design Series*, a book series published to Routledge.
