Interdisciplinary Studies Majors:

See Dr. Will McConnell, Assistant Dean of the Institute of Transdisciplinary Studies, for your individualized program of study. You must complete the committee selection and contract process by the end of your first semester in the program. Without your contract, no graduation check can be completed, which may result in additional time to complete your degree.

N.B. If selecting a BS degree the final five Student Determined Electives (15 units) are to be distributed among the student's two disciplines.
