OUR MISSION is to transform students into innovative professionals who will contribute responsibly to the global community. We achieve academic excellence by focusing on purposeful student engagement, establishing external partnerships with local entertainment studios and global businesses, and ensuring that our processes, services, and environment all enrich the student experience.

Alumni Success

Woodbury University alumni have been extraordinarily successful. They can be found in all 50 states and in 49 countries. Notable alumni have founded and built businesses, led national publications, become noted fashion designers for movies and television, won design competitions, held public office, directed non-profit organizations, and much more.

One of Woodbury University's great differentiators is its two extraordinary geographic locations, which benefit the institution's design, business, and liberal arts programs. Woodbury is at the heart of the Southern California creative economy.

Our award-winning faculty members mentor and collaborate with students to align with their field of study. Our focus on faculty-student interaction is enhanced by small class sizes and the university's hands-on approach to learning.

As members of the Woodbury community, students have access to a wide array of opportunities and resources designed to enhance their academic and personal experience.

Woodbury's campus life offers career development, internships, and work experience for all students interested in finding their professional path. It also offers a variety of opportunities to get involved in student affairs, including 25+ student organizations,

student government, Greek life of sororities and fraternities, a healthy living program, and many campus activities throughout the school year.

Woodbury sets the highest standards of academic and professional behavior to encourage social responsibility. We offer leadership development through

civic engagement, community-based class projects, and service opportunities as a peer mentor or tutor.

Located in the San Fernando Valley, our Burbank campus lies adjacent to the Verdugo foothills. Our San Diego campus encompasses a renovated warehouse in the Barrio Logan district.

Whether you are a freshman or a transfer student, your experience at Woodbury will become a part of your fondest memories and be a place where you will make lifelong friends, find your niche, and prepare for future success!

The New York Times has ranked Woodbury 7th among California colleges and universities in upward mobility.

Located on the iconic Hollywood Walk of Fame, the Woodbury University Hollywood gallery (WUHO) presents multi-disciplinary, boundary-crossing exhibitions.

Woodbury's School of Business is among the 5% of business schools worldwide with AACSB accreditation.

My confidence has soared since attending Woodbury University. I have given unique presentations, led projects, worked directly with clients, corporate leaders, professors, deans, presidents, and many different students to complete tasks and learn from mistakes. Through all of these experiences, I have become someone who is not afraid of failure and a strong risk taker."
