The portfolio should contain 8-12 pieces.

Suggested work to submit:

- Drawings/sketches/doodles
- Paintings/any medium
- Photographs
- Collages
- Typographic layouts/explorations
- Color projects
- Graphic Design projects from coursework/personal work
- Any other personal/passion work

Transfer Applicants

Transfer students **are required** to submit a digital portfolio conveying the range of work completed in earlier programs. Submissions should demonstrate the applicant's artistic perspective and range of technical and digital skills.

The portfolio should contain 8-12 pieces of your best work.

Suggested work to submit:

- Drawings/sketches/doodles
- Paintings/any medium
- Photographs
- Collages
- Typographic layouts/explorations
- Color projects
- Graphic Design projects from coursework/personal work

Transfer credits for Graphic Design courses that were NOT part of an articulation agreement with your previous institution will be awarded based on a portfolio evaluation.

Required for evaluation of non-articulation agreement courses:

- All major projects from each course you wish to transfer (2-3 minimum)
- Description of each project, including project specifications and/or requirements
- Course title and number
- Name of institution where course was taken
- Semester and year when course was completed

Portfolio Submission

Submit your portfolio via the SlideRoom link. A nominal fee will be charged by SlideRoom for this service. For general artwork, we recommend scanned images rather than photos for best resolution. URLs can also be submitted by uploading a PDF or other document containing the link.

Additional work may be requested upon review.
