

Woodbury University has been accepted to participate in the Integrated Path to Architectural Licensure (IPAL). This initiative provides students the opportunity to complete requirements for licensure while earning their degree. Visit <https://woodbury.edu/school-of-architecture-career-services/ipal/> for more information about IPAL.

	Unrestricted Elective		3
<b>Total Units for Diploma</b>			<b>160</b>

**Architectural Experience Program (AXP) Summary**

Summer after 2nd year	560
Summer after 3rd year	560
Summer after 4th year	560
IPAL co-op year	2060
<b>Total</b>	<b>3740 AXP hours</b>

**Education & AXP Notes:**

Working 2 days or 16 hours per week, except during studio finals and final exams, students may complete 224 hours per semester.

Enrolling in the IPAL Co-op during the 5th year includes enrolling at Woodbury for zero credits.

Upon acceptance into the IPAL program, students are advised to schedule a meeting with the financial aid office to discuss any planning needed for IPAL.

**AXP — HOURS**

Practice Management	140
Project Management	300
Programming & Analysis	260
Project Planning & Design	1040
Project Development & Documentation	1620
Construction & Evaluation	380
<b>TOTAL</b>	<b>3740</b>

**Exam Notes:**

Students must be on track with their Architectural Experience Program (AXP) hours, as noted above, to be in the IPAL program and be eligible to take the ARE.

As long as students remain in IPAL, they remain eligible to take the exams.

Candidates can take the California Supplemental Exam after completing all other licensure requirements, including the education & experience requirements. Candidates who pass all these requirements will become licensed architects.
