MArch

2 YEAR INTEGRATED PATH TO ARCHITECTURAL LICENSURE

WSOA Woodbury School of Architecture

Woodbury University has been accepted to participate in the Integrated Path to Architectural Licensure (IPAL).
This initiative provides students the opportunity to complete requirements for licensure while earning their degree.
Visit https://woodbury.edu/school-of-architecture-career-services/ipal/ for more information about IPAL.

Previous Experience	560 (recommended)
Summer after 1st year	560
IPAL co-op year	1980
Summer after thesis	640
Total	3740 AXP hours

EXAMS

Schedule exams in order of your AXP experience.

Your Test Date:

PA	Programming & Analysis	_____
PPD	Project Planning & Design	_____
PDD	Project Development & Documentation	_____
CE	Construction & Evaluation	_____
PJM	Project Management	_____
PCM	Practice Management	_____

Education & AXP Notes:

Upon acceptance into the IPAL program, students are advised to schedule a meeting with the financial aid to discuss any planning needed for IPAL.

IPAL students may take the fieldwork studio immediately following their 2nd year of study or the summer before their 4th year. Students are expected to work 30hrs per week for the 10 week fieldwork studio.

AXP — HOURS

Practice Management	140
Project Management	300
Programing & Analysis	260
Project Planning & Design	1040
Project Development & Documentation	1620
Construction & Evaluation	380
TOTAL	**3740**

Exam Notes:

Students must be on track with their Architectural Experience Program (AXP) hours to be in the IPAL program and to be eligible to take the ARE.

As long as students remain in IPAL, they remain eligible to take the exams.

Candidates can take the California Supplemental Exam after completing all other licensure requirements, including the education & experience requirements. Candidates who pass all these requirements will become licensed architects.
