

# Security INFORMATION

## WOODBURY'S SECURITY OPERATES 24/7/365

This means there are at least two to three trained officers onsite every hour of every day (that includes holidays too!).

Campus security officers are all First Aid/CPR certified and:

- Provide a safety escort service to/from class, the library, your vehicle, and/or your residence hall.
- Monitor 50 CCTVs on-campus as well as vehicle access to the university.
- Ensure WU's 815 open parking spaces on campus are safe and secure.
- Are the first responders to all alarms.
- Utilize electronic access system to provide security to key buildings on campus. Also lock up buildings at the end of the day.
