## University of Redlands: Mission, Vision, and Values

- Mission: We welcome, educate, and empower a diverse community of learners for lives of meaning, impact, and joy.
- Vision: By 2032, the University of Redlands will lead California in providing a student-focused, personalized education that drives student success.
- Values: Excellence, Exploration, Inclusivity, Justice, Kindness, Service.

# Our institutions share many things, most importantly, our strong commitment to our students...

By merging Woodbury University with the University of Redlands, we better position ourselves to enrich the educational experience, and create more opportunities for students' futures.

## At Redlands, innovation is part of our culture

---

- Main Campus: 160 acres, 2300 UG students in 12 residence halls
- **60 years of study abroad in Salzburg's living-learning community.**
- **55 years ago, we started** Johnston College – allowing students to design their majors.
- **Bay Area campus:** mergers with Presidio Graduate School and the San Francisco Theological Seminary.

# Stronger Together

- Bring students together and enhance opportunities
- Combine strengths of both universities: internships, study-abroad, post-graduation opportunities
- Geographic advantages
- Faculty and research collaborations
- Co-curricular programming
